DESIGN COMMITTEE OF THE BOSTON CIVIC DESIGN COMMISSION

DATE: September 4, 2018

5:00pm, Room #937A, City Hall

Dock Square Garage

Present: Deneen Crosby, Linda Eastley, Andrea Leers, Paul McDonough, William Rawn, Kirk Sykes

DISCUSSION: Discussion of responses to the issues raised in the initial presentation (April 2018) and as yet unresolved. The Project team used a digital presentation to outline their studies and the updated Project and answered questions from the BCDC Members present. Commissioners continued to express concern about the modified massing in this sensitive context, suggesting that the Greenway Guidelines were likely the *most* they could envision. The Project will continue in Committee for further review.
